

# Get More SOCIAL

Drive new revenue and engage readers by sharing your social media posts with our audience.

## elev11 COUNTY CONNECTION

### 1. Get your social posts the exposure they deserve!

Facebook continues to filter out the organic reach of business posts. Due to restrictive news-feed algorithms, now your posts will only be seen by 2-6% of your followers.

### 2. Control your own message!

As you post updates, your messages will be changed automatically on our home page. (2-3 posts per day)

### 3. It is interactive!

Viewers can like and share right from your post using the "Promote" button. We report on all interactions.

### 4. Reach 7,750 unique weekly viewers!

Connect with our hyper-local audience that may not see your posts otherwise and exponentially increase the audience you want to reach!
